

THE NEW ZEALAND COLLECTION

Luxury small group journeys, adventures and
private touring throughout New Zealand

The New Zealand Collection

New Zealand is your chance to escape the ordinary. Here you will find a land that is breathtakingly beautiful. A magical place where the air is pure and the lakes an unearthly shade of blue. Where majestic fiords wait to be explored and towering mountains cloak wide-open spaces of untouched wilderness. A mystical place of rolling hills, boiling mud pools, ancient rainforest, myths & legends. A land we proudly call home.

As New Zealand's leading and most innovative small group specialist, we promise to show you the real New Zealand. Our many years experience and knowledge in organising small group tours has taught us the importance of getting the balance right between a fully inclusive itinerary and the need to get away and self-explore. You'll find that our meticulously planned itineraries offer plenty of leisure time to do exactly that, ensuring you end up with the holiday you want!

Qualmark is New Zealand tourism's official mark of quality. The Qualmark accreditation system is designed to ensure you get the best holiday experience from reputable and trustworthy businesses. We are independently assessed each year to ensure we meet stringent requirements in terms of service standards, safety and environmental activities. Our endorsement is your assurance of our ability to deliver a first-class touring experience.

Genuine Small Group Journeys

Some tour operators proclaim their group sizes to be small at 24 or more. But we believe that once a group reaches this size, vehicles have to be larger, organisation has to be more structured and the trip can end up being just another bus tour. Our average group size is just 14 but we will never exceed 16 guests on any departure. This means better service, the chance to use smaller hotels, more freedom, more fun and more flexibility. And being smaller makes it easier for us to take those little detours off the beaten track to visit places the large tour groups are unable to.

Enjoy more leisure time

Often we hear travellers say that they wish they had longer to explore and enjoy the places they visit. That's why our itineraries are about keeping travelling time to a minimum and include multi-night stopovers where possible. Our holidays are not about long days and rushing from one place to another.

Professional tour hosts

Our touring staff are extremely passionate about their country and love nothing more than showing it off to travellers from all corners of the globe. Supported by a team of dedicated experts in the office, your friendly Tour Host will ensure that every aspect of your holiday runs smoothly and give you a fresh insight into the lives of everyday New Zealanders and their country. You'll find that they are only too happy to go that extra mile to make sure you have the holiday you want.

Travel in comfort

You'll be very pleasantly surprised at the luxurious appointments of our purpose-built, air-conditioned midi-coaches. Whilst individual vehicles may vary, they all feature reclining armchair-style seating, large panoramic windows for excellent viewing, individual reading lights and air-conditioning controls. Our touring vehicles are expertly maintained to the highest standards and boast the very latest safety features. But the biggest benefit of all is that they can take you to many places the larger touring coaches can't.

Solo travellers

Many of the people who join us on our tours are travelling by themselves, so if you're a solo traveller, rest assured that you'll be with other like-minded people. On any given departure, you'll usually find a mix of couples and friends travelling together but plenty of others will be on their own too. One of the great benefits of our trips is that they allow you to be independent but provide security and company whenever you choose.

The Classic Collection

The Classic Collection is our premiere touring option. With no more than 16 guests on any tour and such an incredible choice of things to do and places to see, we set out to give you plenty of time to sightsee, relax and savour the local lifestyle and culture.

Relax in stylish surroundings

Accommodation is usually high up on the list of importance on any holiday. At the end of a day's travel or activity, you'll want to freshen up and relax in a hotel that makes you feel at home. That's why the properties featured in our Classic Collection series have been very carefully chosen for their superior level of comfort, exceptional amenities, friendly staff and service and for their superb location.

We hope that you will take the opportunity to stay a few extra nights in the gateway cities, either at the beginning or end of your holiday. We particularly recommend this for travellers who may be arriving off long-haul flights. An extra day or two will certainly help you in getting over any jet lag and will ensure you are relaxed and refreshed before setting off on your journey around New Zealand.

More than just the usual sightseeing

Our Classic Collection tours include all the 'must-see' highlights of New Zealand plus many exclusive extras. We feature a fantastic mix of cultural, adventure & general sightseeing activities, some of which are only available to small groups.

On any given day, you could be cruising across a crater lake, swimming in natural thermal pools, flying over glaciers, mountains, waterfalls & rainforests, getting up close to & tasting ice from 500-year old icebergs, exploring spectacular fiords, experiencing the thrills of an action packed jet-boat ride or enjoying a guided heli-tour of an active volcanic island. Our trips feature them all!

But on those days when nothing is planned, we let you decide what you want to do.

Holidays are traditionally a great time to spread your wings & try something new but experience has shown that some of the best things in life involve the unexpected, which is why we don't plan everything for you. We believe it's important to have the right balance between a full, well-organised itinerary & the freedom to do your own thing, so within the framework of your journey with us, there is ample time and flexibility for your own personal exploration.

We offer excitement, leisure and adventure in their various forms and you can put them together to end up with the holiday you want! Your Tour Host will be only too pleased to advise & guide you as to all the options available.

Fabulous cuisine

We appreciate that individual appetites vary. Every day begins with a full cooked breakfast at your hotel and some tours may feature evening and specialty meals. When not included, we encourage you to seek out and enjoy the great variety of bistros, cafés and restaurants that offer indoor and al-fresco dining. After all, discovering new and exciting places to eat is a fun part of any travel experience!

Complimentary airport transfers

We offer all our guests complimentary, private limousine transfers on arrival and departure. Simply have your travel agent provide us with your flight details and we will meet you on arrival and see you to your first night's accommodation. At the end of your holiday, we'll make sure you get to the airport in plenty of time for your onward flight.
